# GREEN LIGHT FOR RETAIL HUB REVAMP

THE redevelopment of Vicarage Field shopping centre has been given the green light by Barking and Dagenham Council.

Councillors on the planning committee backed the plan for around 900 new homes on Monday.

The redevelopment of Vicarage Field retail centre in Barking town centre will feature a state-of-the-art shopping, dining and leisure destination and, at the heart, a "field" with shared communal garden for residents, orchards and play spaces.

Cllr Dominic Twomey, deputy leader of Barking and Dagenham Council, said: "This redevelopment really puts the green into Vicarage Fields. It paves the way for a 21st century retail experience, balancing the needs of consumers and brings with it entertainment outlets, homes for Londoners, amazing green leisure facilities and up to 1,000 new jobs for local people."

Peter Cornforth, director of retail

VISION: An artist's impression of how the redeveloped Vicarage Field shopping centre site would look

at Benson Elliot, said: "We welcome the council's decision to grant planning permission for the rede-

velopment of the Vicarage Field shopping centre site in Barking town centre.

"This comprehensive redevelopment of the site will deliver new homes for the borough as well as a host of shopping, leisure and community facilities and up to 1,000 new jobs, all of which will significantly benefit the local area."

The development includes a 150-bed hotel, "affordable" space for start-up businesses, a 650-seat cinema, a gym, music venue, three-form entry primary school and healthcare facilities.

In approving the outline scheme, in response to the concerns of the community, councillors agreed to a range of safeguards on noise and construction methods to minimise disruption to residents and to businesses.

They specified that the detailed design would have to meet the Design Code to ensure that the development is of an exemplary quality to justify the location, heights and density.

## Households set to pay £40 a year for garden waste collection

PLANS to introduce a paid for service for green garden waste collection have been approved at Barking and Dagenham Council.

Households will be expected to pay £40 per annum.

Council chiefs say 8,000 people took part in the consultation, of which 4,000 indicated that they would be prepared to pay

for the service.

Cllr Lynda Rice, cabinet member for environment and street scene, said the council had never experienced such a response to public consultation.

"This is the largest response to a consultation of this nature in the history of Barking and Dagenham Council," she said.

"We will keep you informed of

how and when you can pay if you would like the service."

She said that she understood many residents would have preferred the service to have been free.

She added: "Unfortunately, due to budget constraints and the cuts to our council grants imposed by the government, that was not a viable option.

"This information was made publicly available during the summer. We have to prioritise our funding on helping vulnerable residents for example, the elderly, children in care and education."

Cllr Rice said that the council is determined to crack down on fly-tipping and there would be a zero tolerance approach to it.

## Extra bobbies on the street

POLICE units across east London are to merge, with 33 new police officers taken on.

Officers from Havering, Barking and Dagenham, and Redbridge are to "pool resources".

The merger is part of a pilot programme and will involve working more closely with councils, particularly when protecting vulnerable people.

A Metropolitan Police spokesman said there will be no redundancies.

Tim Aldridge, director of children's services in Havering, said: "I feel hopeful about the future because Havering, Redbridge and Barking and Dagenham are part of a pathfinder pilot which is bringing the three boroughs' police services together.

"Part of that is bringing responsibility for the protection of vulnerable people back into local borough structure." The "pathfinder pilot" is one of the first to take place in London and will boost accountability, according to police chiefs.

Other councils in east London have welcomed the move.

They said they had responded to residents' concerns by overseeing more bobbies on the beat.

Cllr Darren Rodwell, leader of Barking and Dagenham Council, said "We have listened to residents' concerns, resulting in this unit providing more bobbies on the beat.

"This is a welcome development which I hope means more investment into neighbourhood policing and protecting vulnerable residents, while at the same time being able to deal with increased demands."

## NEWS IN BRIEF

● A MAN from Redbridge has been fined £285 after pleading guilty to possession of cannabis and assaulting a police officer to resist arrest.

Thaddeus Jones, 22, of Woodford Avenue, Gants Hill, received the fine at Barking Magistrates Court on Thursday, January 19, after admitting to assaulting DS Martyn Kenny, who was trying to apprehend Mr Jones for having five small bags of cannabis on November 3, 2016.

● A WOMAN was rescued from a house fire in Queens Road, Walthamstow, on Friday, January 20.

Crews from Walthamstow and Tottenham attended the fire at the property at 9.37am, saving the woman from the blaze. She was taken to hospital by London Ambulance Service.

The fire was under control by 10.03am.

The cause of the fire is believed to have been a towel coming into a contact with an electric fire.

● FREE workshops are available on how to effectively compost waste this spring.

Havering Council aims to reduce spending on waste disposal by educating people about the different ways household waste, from paper to vegetable peelings, can be composted.

The three events take place on Thursday, March 9, from 5.30-7pm at Hornchurch Library; Friday, March 31, from 2-3.30pm at Rainham Hall; and Wednesday, April 12, from 10-11.30am at Romford Central Library.

# Green scheme will bring 5,000 trees to east London

THE MAYOR of London has made £750,000 available for volunteers to plant trees to make the capital one of the greenest cities in the world, with east London to benefit most.

More than 5,000 trees are set to be planted across Waltham Forest, Barking and Dagenham, Redbridge and Havering.

Mayor Sadiq Khan said: "I want London to be one of the world's greenest cities, which is why I've prioritised this funding to kick-start the delivery of thousands of new trees and to protect and enhance our much-loved green spaces.

"This is the first step in my plans for a major tree-planting programme across London, in partnership with businesses and boroughs. I remain fully committed to ensuring that hundreds of thousands of new trees are planted over the next four years."

**STREETS AHEAD: Most trees will be planted by the roadside**

There will be 26 projects taking place simultaneously across the capital, with almost 42,000 trees planted.

Streets will be the main focus. In Barking and Dagenham 57 trees will be planted in the central reservation on Valence Avenue, 52 standard trees in Valence Park and 5,000 whips will feature as part of a woodland project in St Chard's Park. A total of 250 trees will be

planted across the highway spanning Havering, while Redbridge will get 77 apple trees in a brand new orchard.

A spokesperson from City Hall described how the number of trees were allocated per borough.

He said: "The Mayor invited boroughs and other organisations to apply for funding in December. We received 42 applications for a total of £1.6m. A grant assessment panel, including independent representatives, met in December to review the applications and awarded funding to 26 projects."

The General London Assembly is also planning a tree-planting programme from 2017 to 2020, details of which will be announced later this year.

## Students visit dream team

MORE THAN 20 students from Barking and Dagenham College's Rugby Academy fulfilled their dreams by meeting the Perpignan team on a two week trip to France.

Twenty-three rugby enthusiasts put questions to their heroes and watched them train. They also took part in sightseeing and sampled local dishes.

James Faminu, 17, of Chingford, said France's rugby pedigree made for a valuable education. "This is one of the best countries to visit for rugby. There are many clubs and local teams are a short walk or bus ride away.

"We got to spend time with teammates and the people looking after us are very friendly. The French cuisine is amazing!"

**HISTORY COMES TO LIFE:** Children from Hylands Primary School during their Victorian day. Photos by Martin Dalton

# A taste of life at school in the Victorian era

PUPILS and teachers at Hylands Primary School in Romford experienced a typical school day during Victorian times.

Year one dressed in authentic Victorian clothes and practised

handwriting on chalkboards, carried out drills and tasted "gruel", a thin liquid food of oatmeal or other meal boiled in milk or water, which was popular at the time.

They also played the role of

servants at Sudbury Manor and were tasked with completing a number of chores to a satisfactory degree before being allowed to play with toys children typically played with during the period.

## Women increase cancer risk by shunning tests

LESS THAN two-thirds of women in Waltham Forest attend their cervical screening appointments.

Doctors at Waltham Forest Clinical Commissioning Group (CCG) are running a social media campaign for 'Cervical Cancer Prevention Week' from January 22 to 28 to get more women to book tests and reduce the number of cervical cancer sufferers.

Dr Mayank Shah, clinical director at the CCG, encouraged women to contact their local GP and have the test to ensure their peace of mind.

He said: "All GP practices in Waltham Forest offer cervical screening appointments, so we are encouraging women in the borough to contact their practice if they want to talk to their GP or nurse about screening, espe-

cially if they have never been screened before or haven't been screened in the past five years."

Janice Richards, senior commissioning manager at the CCG, referred to her own personal experience when highlighting the importance of smear tests.

She said: "I had no symptoms or any reason to be worried, but my cervical screening found that I had abnormal cells that were quite advanced."

"I was referred to a specialist clinic and told that the cells had a high chance of developing into cancer. I was given laser treatment at the hospital which, thankfully, got rid of all the potentially cancerous cells."

"The abnormal cells were caught just in time – that smear test probably saved my life," she added.

## New trampoline park at old Granada Theatre to bring over 80 jobs

MORE THAN 80 new jobs will be created in Barking following the development of a £1.8million trampoline park this spring.

Flip Out, which runs nine other trampoline parks across the country, including one in Wandsworth, will replace the disused Granada Theatre, which closed in 2014.

Jon Inwards, managing director of Flip Out, said the modern 33,000 sq ft facility will keep the building's culturally historic feel.

He said: "It's our first duplex arena and will feature some activities that will be unique to Barking. It will also feature new state-of-the-art equipment that will be unique to London and the world."

"The history of the building will also be reflected, and more details will be revealed in the coming weeks," he added.

The old Granada Theatre, on Barking Road, East Ham, hosted notable acts such as The Beatles and the Rolling Stones in the 60s, and was most recently used as a bingo hall up until its closure.

## Cash boost to charity's work with special school pupils

**DONATION:** The Essex Freemasons gave £39,372 to the Foundation for People with Learning Disabilities

CHILDREN with special needs are receiving help from a charity to improve their future job prospects.

Pupils at Little Heath School will benefit from the World of Work Project, run by the Foundation for People with Learning Disabilities, which is designed to increase work experience opportunities for children in education.

The charity, which received £39,372 from Essex Freemasons, called on employers to be more open to hiring those with learning difficulties.

Christine Burke, from the foundation, said: "This generous grant from the Freemasons will enable us to connect employers to Little Heath School."

Ken Montgomery of the Essex Freemasons said: "Getting these children into paid employment will transform their lives."

## CONDITIONS OF ACCEPTANCE FOR ALL ADVERTISEMENTS

Orders are accepted by the Publishers subject to the Standard Conditions agreed between the Newspaper Society and the Institute of Practitioners in Advertising. Save that:

1. Advertisements are accepted on the conditions that (a) descriptions relating to goods are accurate and in no way contravene the provisions of the Trade Descriptions Act 1968, and the Fair Trading Act 1973, and (b) the copy complies with the British Code of Advertising Practice. Advertisements offering credit or hire facilities must conform to the Consumer Credit (Advertisements) Regulations 1980.
2. Classified Advertisements offering goods or services of a business, commercial or trade nature will, at the discretion of the Publishers, be treated as "Trade Advertisements", and as such, must include their names in advertisements. A telephone number is an optional addition to these requirements and not an alternative.
3. To comply with the Business Advertisements (Disclosure) Order 1977, Trade Advertisements must make it clear that they are selling goods in the course of business either by stating, format, size or place of the advertisement or by including words such as "batter", "dealer", "agent", "wholesaler", "TT" etc. in the advertisement.
4. The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:
- (a) Any error, inaccuracy or omission in the printing or publishing of any advertisement;
- (b) Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser; or
- (c) Any delay in forwarding or omission to forward replies to box numbers to the advertiser.
5. The Publishers will endeavour to publish advertisements as the day / date or day / dates specified by the advertiser but insertion days / dates cannot be guaranteed.
6. Where shrinkage of advertisement occurs for whatever reason the advertiser will be charged to the nearest full column. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.
7. The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has already been accepted for publication.
8. Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion. Typographical or minor changes, which do not affect the value of the advertisement, do not qualify for substitution or allowances.
9. All gross advertising rates (except classified listings and semi-daily) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertiser to help finance the self-regulatory control system administered by the Advertising Standards Authority.
10. All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.
11. Should the rate for advertisements to exceed the price for remaining insertions shall be revised accordingly or the publishers shall have the right to cancel the unexpired portion of an order.
12. The pricing of an advertisement order will be deemed an acceptance of these conditions.
13. Account facilities are granted at the discretion of the Company.
14. All accounts must be settled within the terms agreed by the Company and the Customer.
- (1) Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that had been allowed will be reclaimed.
- (2) Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 6% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that had been allowed will be reclaimed. Should legal action be required the interest will be charged in accordance with the County Court Act 1984.
15. Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for all advertising services should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.
16. All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.
17. All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers' control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.
18. The Publisher may provide voucher copies for published advertisements in electronic form only subject to certain criteria. Further information is available on request.

Middlesbrough 1  
West Ham United 3  
Brian Jeeves reporting

WEST HAM UNITED manager Slaven Bilic was over the moon as his side made it back-to-back Premier League victories with a 3-1 success over Middlesbrough at the Riverside Stadium.

"It has been a good week for us. After the game against Palace, we played well against them and we have used the momentum we got in that win to come here and put out a strong performance and get three massive points," the Croat told the Hammers official website.

"We had a lot of players who were on top of their game today and we did great things with the ball.

"We hurt them when we attacked and it was brilliant."

Andy Carroll grabbed a brace while Argentine Jonathan Calleri added a third in stoppage time as the Hammers moved up to 10th place in the table.

The Hammers boss heaped praise on Geordie frontman Carroll: "Andy Carroll, week in, week out, is brilliant. I am always saying this; he is a brilliant player, not just with his goals, but he makes such an impact with his presence.

"The goals are also obviously important but it's so hard to stop him in the box and so for him to score two goals is brilliant.

"I have told you why I'm a big fan of Andy; he does everything. The only problem before was that he wasn't available to play.

"Hopefully, he is going to stay fit. He felt his groin a bit and we didn't want to risk it because we don't want to lose him.

"He's great, though, he is one of the leaders and he enjoys that."

Bilic was also quick to point out the impact made by his substitutes, adding: "It's all about the squad and the guys who came on, like [Edimilson] Fernandes and Calleri, did well and it's good for us.

"We are delighted after today because we not only won but played very good so we are extremely pleased with our week."

West Ham United are next in Premier League action on Wednesday, February 4 when Manchester City are the visitors to the London Stadium (7.45pm).

## Orient owner Becchetti 'will consider offers for club'

ORIENT Football Club has admitted Italian owner Francesco Becchetti received an offer for the club but turned it down.

In a statement released last Friday, chief executive Alessandro Angelieri said: "The actions of the club over the past two and a half years have always been in good faith and that can never be doubted.

"A squad without future was inherited, and has been completely renewed with it today including a number of talents aged between 17 and 24.

"Mr Becchetti did not like the fan protests because at the beginning of the season everyone, supporters included, praised the club for their summer transfer business. Thereafter Mr Becchetti doesn't

play on Saturday. I think that with-in common sense, Mr Becchetti will continue to fund the club, though appropriate offers for the club will be considered.

"One offer has been received, but it was not acceptable for a number of reasons.

"In regards to player departures, since last February Jay Simpson had scored six goals, and from last summer he had been trying to leave the club.

"Andy Edwards rightly decided to leave him out of the squad because of his lack of commitment to Leyton Orient.

"Jordan Bowery's contribution during the first half of the season was imperceptible, so his departure can be considered neutral, while

Alan Dunne was out of the plans under both Andy Hesselthaler and Andy Edwards.

"In terms of funds available, it's not the club that has to give guarantees to Andy Edwards, but vice versa. Andy can count on prospects who he has helped nurture like Sam Sargeant, Aron Pollock,

"Sandro Semedo, Myles Judd, Sam Dalby and Tristan Abrahams who has scored 20 goals for the youth team this season, as well as great young talents like Paul McCallum and Gavin Massey who are players with fantastic qualities, and have a massive desire that was lacking from players in the past like Darius Henderson, Jobi McAnuff and Jordan Bowery.

"I think that my absence due to ill

health could have had some negative effect, but I believe even further that the absence of Mr Becchetti during the last three months has had a more negative impact on the squad.

"His personal business did not allow him to be close to the team, when he would usually come to the training ground every Friday and to the games on a Saturday.

"Mr Becchetti has a great charisma and the players definitely feel his absence.

"We are fully confident that we will remain in the Football League come the end of the season but if relegation was to unfortunately happen, we will keep our current policy in place of promoting and showing faith in young players."

## Clubs battle to beat the freeze

By Brian Jeeves

RYMAN League Division One North outfit Haringey Borough were delighted that their match survived the weather.

The Coles Park Stadium was deemed fit to play and Borough thrashed Soham Town Rangers 6-0 in front of a crowd of 141.

Adrian Markus, Ralston Gabriel, Anthony Macdonald, Ralston Gabriel, Ali Setirekli and Chris Benjamin all scored for the hosts who move up to seventh.

Liam Nash and Eoin McKeown scored first half goals as league leaders Maldon & Tiptree beat Great Wakering Rovers 2-0 at the Wallace Binder Stadium, while Jonathon Adebayo, Kai Bichard and Greg Akpele gave Romford a 3-2 win at Dereham Town. Joe Gattling bagged a brace for the hosts.

Brightlingsea Regent's Essex derby with Brentwood Town also beat the frost. And a crowd of 171 were rewarded with a 2-2 draw at North Road. Josh Gould and Tom Richardson found the net for the home side, Leon Gordon and a last-minute strike from Andrew Freeman gave Brentwood a share of the spoils.

In the Ryman League Premier Division, Harlow Town's all-weather surface at the Harlow Arena was never going to be challenged by the frost. And it was the home side who prevailed from their match with Tonbridge Angels as Junior Dadson's goal just after the half-hour mark saw them pick up maximum points.

Among the region's other Premier Division clubs, Canvey Island crashed 5-0 to league leaders Bognor Regis Town at Park Lane. Elijah Adebayo hit a hat-trick for the visitors, while James Fraser and Jimmy Muitt also found the net. The only consolation for the Gulls, a crowd of 407.

Bottom of the table Grays Athletic also lost. Bobby Devyne and Billy Crook hitting the goals as Enfield Town, backed by an excellent 575 attendance, won 2-0.

In the National League, Braintree Town picked up a point at the New Lawn against Forest Green Rovers. Michael Cheek gave the Iron an early lead, but Charlie Clough struck just after the hour to force a draw.

In the National League South, Chelmsford City suffered their first defeat in 14 in all competitions, as goals at the end of each half from former Claret Kenny Clark and substitute Bradley Bubb gave promotion rivals Ebbsfleet United a 2-0 win at Stonebridge Road.

The Ebbsfleet ground staff worked hard to ensure the match took place for a crowd of 1,434, bolstered by fans of Charlton Athletic and Dartford, whose matches were postponed with a good following from Chelmsford.

Concord Rangers were beaten by Bishop's Cleeve, thanks to Greg Cundle's late goal at the ProKit UK Stadium. In the Essex Senior League, leaders Barking thrashed Enfield 1893 5-0 at Mayesbrook Park. James Pegram hit a hat-trick for the home side and Max Watters and Paul Oshin were also on target. Southend Manor fell 5-1 at Sawbridgeworth Town and FC Romania had a convincing 4-1 success at Redbridge.

Elsewhere, Barkingside won an east London derby with Sporting Bengal United by the odd goal in five at the Mile End Stadium. In the ProKit UK Essex Olympian League, Joe Oates hit a hat-trick and Damien Yoxall added another as Manford Way won their Premier Division clash with White Ensign 4-2 at the Len Forge Centre. Canning Town and Harold Hill played out a 2-2 draw at the Newham Leisure Centre.

In Division One, Old Southendian and Old Chelmsfordians shared the points after a 1-1 draw. In Division Two, Herongate Athletic won 4-3 against Rochford Town.

Old Barkabbeyans were 3-1 winners over Upminster and it was the same outcome at Love Lane, where Ongar Town beat Ramsden Scoti.
